

2009-2010 Music Boosters Volunteer Form

Thanks to the generosity of music parents and the Novato High community, MSA/NHS Music Boosters have been able to raise over \$20,000 a year for our music students. The boosters also help our music teachers through service: planning trips to music festivals, hosting soirees and awards ceremonies, and much more so that they can concentrate directly on the education of our students. Music at Novato High's MSA depends on parent and student volunteers. When you volunteer, you show your student how much you value their education. **The volunteer expectation this year is for each parent to sign up for at least one event. If you sign up now, you'll get your pick of volunteer opportunities!! Thank you!**
